

Angelonia - Available 3-10-14

Aka summer snapdragon. Tall, well-branched, perfect for adding color to hot, sunny spaces. Attracts butterflies, tough plant, blooms all summer and drought tolerant. Full Sun. Spikes to 8" tall.

Available Colors:

Purple • White • Raspberry

Begonia - Available NOW

Green Leaf and Bronze Leaf Varieties

Low growing, showy waxy leaves, erect succulent stems, continuous bloomers. Like bright, filtered light. Bronze leaf works well in full-sun while green leaf works well in the shade.

Available Colors:

Green and Bronze Leaf: Red • Pink • White • Mix

Caladiums - Available 4-01-14

Fancy Leaf: Large, beautiful, colorful leaves, typically 8-12" long. Average height 15" but varies between varieties. Full Shade.

Strap Leaf: Smaller, beautiful, colorful leaves with ruffled edges. Average height typically under 12". Sun tolerant. Either choice makes for a great accent in the landscape and adds a burst of color and texture.

Please call for availability - 713.667.5700

Celosia - Available 4-01-14 (Flame & Crested Varieties)

Bright, showy, striking colors. Flame type produces upright, feathered plume. Crested is an exotic coral-shaped, comb-type bloom, resembling a "brain". Can grow to 3' tall and 6-18" wide. Full Sun.

Please call for availability - 713.667.5700
